Verse:

5	<b>G</b>	<b>C</b>	<b>G</b>	<b>D</b>
---	----------	----------	----------	----------

1) Hey where did we go?                      days when the                      rains came  
 2) Whatever                      happened                      to Tuesday and                      so slow  
 3) So hard to                      find my way                      now that I'm all on my own

9	<b>G</b>	<b>C</b>	<b>G</b>	<b>D</b>
---	----------	----------	----------	----------

Down in the                      hollow                      playing a                      new game  
 Going down the                      old mine with a                      transistor                      radio  
 Saw you                      just the other day                      my how you have                      grown

13	<b>G</b>	<b>C</b>	<b>G</b>	<b>D</b>
----	----------	----------	----------	----------

Laughing and a                      running hey hey                      skipping and a                      jumping  
 Standing in the                      sunlight laughing                      hiding behind a                      rainbow's wall  
 cast my memory                      back there lord                      sometimes I'm                      overcome thinking about
